

## Dragon City Trophy 2009

Friday 17<sup>th</sup>, Saturday 18<sup>th</sup> & Sunday 19<sup>th</sup> April

### Accommodation

**For your convenience we have compiled a list of available accommodation.  
Please book your accommodation immediately to avoid disappointment.**

**City Centre Motel, 26 Forest St 5443 2077**

16 rooms available there, mostly Queens and all their extra trundles & bedding has been booked by the footy / basketball teams. If you need to have extras stay above the Queen (and some with single bed too), you are welcome to bring sleeping bags, blow up mattresses and double up etc. It is a room rate so would not charge for extras bringing own sleeping gear (does not include brekkie). I checked it out and it is an older (but clean) motel and many of the queen rooms had a big sofa in them too. Owner' name is Simon and requires a credit card deposit to secure the bookings. The motel is just up the hill from High St and near city McDonalds. I wrote down (quickly while he was talking -so people please check the price but I think it was) Twin \$115, Double \$105, the standard (older) rooms were slightly cheaper. Unable to hold rooms, first come, first serve. Nice guy, very central, off the main street for people who may be bothered by traffic noise. (And yes, I would stay there)

**The McIvor Motor Inn & Lotus Convention Centre, 45 McIvor Rd,**

Bendigo 5443 8444

There are 20 rooms there; Double \$210, twin \$258, Triple \$310

**Homestead Golden Square**

508 High St, 1800 061 455

(4+ rooms) including house, apartment, 2 queens, ring for rates

Apparently, city motels are pretty near full but out of city central still had pockets of bookings available

293 Midland Hwy Epsom 54484747

**Ascot Holiday Park –approx 10 min from rink**
