Dragon City Trophy & Artistic Competition 2009

The Ice Skating Club of Bendigo is *thrilled* to announce the return of their major figure skating competition *Dragon City Trophy & Artistic Competition* to be held Friday 17th, Saturday 18th & Sunday 19th of April, 2009.

The Chinese Dragon is a symbol of pride and celebration in our **City of Gold and Dragons** and the Ice Skating Club of Bendigo acknowledges the Chinese heritage which is an integral part of Bendigo by featuring the dragon as our symbol of pride and celebration also. A selection of beautiful purple Dragon trophies will be amongst our competition prizes and medals.

It is two years since our last Dragon City Trophy, and Artistic competition and we are very proud and excited to be re-introducing these great competitions to the skating calendar. We would love your skaters to join our skaters in competition at the City of Gold and Dragons to be part of this memorable event and helping us to *Re-awaken the Dragon*.

This competition pack has been compiled for your convenience and we would appreciate your cooperation in making the information available to interested figure skaters. Please display on appropriate notice boards and / or passing information onto the relevant Figure Skating Clubs / Competition Convenor or coaches. Pictures of the Ice Rink are posted on our web site www.iscb.org.au so that skaters may view the venue and size of the ice (surface dimensions 54m x 27m, which is almost Olympic / International size of 60m x 30m) and we are available to answer any questions. We can be contacted by email to info@iscb.org.au and will endeavour to reply asap.

I would like to take this opportunity to thank you for assisting to spread the word that the coveted purple dragon trophies, the symbol of pride and celebration are here, in the City of Gold and Dragons. We're ready to welcome you and your skaters to the Dragon City Trophy and Artistic competition and the prizes are lined up and ready for competition.

Please pass the word onto your skaters - *The Dragon Awaits You...*

Yours sincerely,

Leah Browell
