

Hi Chillseekers!

Winter's on it's way (woo hoo!) and *figure skating's shaping* up as a *gr8 skate season!*

We've got *Skate Bendigo 23:5* happening 11am up on May 23rd and then the State Figure Championships also happening in Bendigo on July 4th & 5th. Bendigo is certainly shaping up to be the regional heart of ice sports in Victoria and you all deserve part of the credit here; your ongoing support is helping us all onto bigger and better things – *thank you!*

We've attached a jpg of the Sk8 Bendigo 23:5 poster here and if you are able to forward on through your networks and/or print off and display prominently or insert it into your community newsletter for us – that would be fantastic!

❄️ We've also included a little white skater boot mobile here you may like to print and cut out. When we did ours, we punched a little hole through one of the boot lace holes and tied a loop to hang the skate boot up like a mobile – cool!

Look out for them about town, they'll be popping up everywhere in the next few weeks. Remember to hang onto the boot as a reminder for the State Championships in July – we'd hate you to miss out being one of our valuable audience members!

❄️ Quick reminders:

Aussie Skate is back in session this term – skate dates available for Friday (after school), Saturday & Sunday (Early bird) sessions. More info from our website at www.iscb.org.au

Aussie Junior Hockey development sessions weeknights, more info from www.bendigoiceskating.com.au

Thanks everyone – hope to see you soon at the Bendigo Ice Skating Stadium where you can...

Discover the thrill of ice sports!
